

# George A. Mandelaris, DDS, MS, FACD, FICD

## Professional Biography

Dr. Mandelaris attended the University of Michigan from undergraduate through dental school. He completed a post-graduate residency program at the University of Louisville, School of Dentistry, where he obtained a certificate in the speciality of Periodontology as well as a Master of Science (M.S.) degree in Oral Biology. Dr. Mandelaris is a Diplomate of the American Board of Periodontology and has served as an examiner for Part II (oral examination) of the American Board of Periodontology's certification process. He is an Adjunct Clinical Assistant Professor in the Department of Graduate Periodontics at the University of Illinois, College of Dentistry (Chicago, IL) as well as at the University of Michigan, Department of Periodontics and Oral Medicine (Ann Arbor, MI). Dr. Mandelaris is a Fellow in both the American and International College of Dentists.

Dr. Mandelaris serves as an ad-hoc reviewer for the *Journal of Periodontology* and the *International Journal of Oral and Maxillofacial Implants*. In 2021, he was appointed as an Editorial Consultant to the *International Journal of Periodontics and Restorative Dentistry*. He has published over 40 scientific papers in peer-reviewed journals and has authored eleven chapters in nine different textbooks used worldwide on subjects related to computer guided implantology, CT/CBCT diagnostics and surgically facilitated orthodontic therapy (SFOT). In 2022, he authored and edited the book: *Surgically Facilitated Orthodontic Therapy: An Interdisciplinary Approach* (Springer)- one of the first textbooks of its kind in the profession.

Dr. Mandelaris is a two time recipient (2017 and 2021) of the American Academy of Periodontology's (AAP) Clinical Research Award- an award given to the most outstanding scientific article with direct clinical relevance in Periodontics. A nationally recognized expert, he was appointed by AAP to co-chair the Best Evidence Consensus Workshop on the use of CBCT Imaging in Periodontics as well as co-author the academy's guidelines. In 2018, he was recognized with American Academy of Periodontology's Special Citation Award. Dr. Mandelaris is the 2018 recipient of The Saul Schluger Memorial Award for Clinical Excellence in Diagnosis and Treatment Planning.

Dr. Mandelaris is a Past President of the Illinois Society of Periodontists, has served on several committees for the American Academy of Periodontology and is one of the AAPs recommended speakers on topics related to periodontics-orthodontics and imaging/implant surgery. He is a key-opinion leader for several industry leaders and holds memberships in many professional organizations, including the American Academy of Periodontology, Academy of Osseointegration, American Academy of Restorative Dentistry and the American Society of Bone and Mineral Research.
